

**SiMBA**  
INNOVATE TO EDUCATE

Welcome to...

**Simba Preparatory School**

*Snacks &  
Lunch Provided*

## Our Vision

At Simba Education, we strive to teach our children in a safe, secure & fun-loving environment that gives every child the best education possible.

Our private pre-school is built on a foundation of using technology to teach & enhance your child's learning experience. Everything we do is aligned with the new Zimbabwe National Curriculum.

**We love learning through play here at Simba Preparatory School**
